

CpECB grants Certifications to 284 First Batch of CCpE and PCpE Applicants

The Computer Engineering Certification Board, Inc. or CpECB has granted certification status to 284 applicants. These successful applicants belonged to the first batch of applicants for CpECB certifications. Of these, 47 were given Certified Computer Engineer (CCpE) status while 237 applicants were granted the Professional Computer Engineer (PCpE) status. The granting of certified status to these applicants was made possible through the implementation of the Grandfather's Rule. Below is the list of the successful first batch of CCpE and PCpE applicants.
